---

**ORDER FOR PSYCHIATRIC OR  
PSYCHOLOGICAL EXAMINATION OF DEFENDANT**

On March 10, 2016, the United States made a Motion for Competency Evaluation. Based upon the proffered information, the Court finds that there is reasonable cause to believe that the defendant may presently be suffering from a mental disease or defect rendering him mentally incompetent to stand trial.

Accordingly, pursuant to the Insanity Defense Reform Act of 1984, 18 U.S.C. §§ 4241-4247, it is hereby ordered that:

- (1) a psychiatrist or psychologist employed by the United States be appointed, authorized, and directed to examine the mental condition of defendant, *see id.* §§ 4241(a),(b), 4247(b);

- (2) the defendant be committed to the custody of the Attorney General for such psychiatric or psychological examination for a period not to exceed 30 days, *see id.* § 4247(b); the government however, may apply for a reasonable extension not to exceed 15 days, *see id.*
- (3) the Attorney General, through the Bureau of Prisons, will inform the Assistant U.S. Attorney once the defendant has been designated to a suitable facility, in order to arrange for the defendant's transportation to and from such facility;
- (4) the examining psychiatrist or psychologist prepare, as soon as practical, a written report that includes (1) the defendant's history and present symptoms; (2) a description of the psychiatric, psychological, and medical tests that were employed and their results; (3) the examiner's findings; and (4) the examiner's opinions as to diagnosis, prognosis, and whether the defendant is suffering from a mental disease or defect rendering him mentally incompetent to the extent that he is unable to understand the nature and consequences of the proceedings against him or to assist properly in his defense, *see* 18 U.S.C. §§ 4241(b), 4247(c);
- (5) the examiner promptly file the written report with this Court and provide copies of the report to defense counsel and the Assistant U.S. Attorney, *see id.* § 4247(c). The examining psychiatrist or psychologist produce to defense counsel and the Assistant U.S. Attorney copies of all records and documents that were reviewed, created or relied upon in forming the basis of the opinion regarding the defendant's mental condition; and
- (6) the period beginning with the government's motion and ending with the conclusion of the competency hearing, *see id.* §§ 4241(c), 4247(d), which will take place at a date and time set by the Court, after the Court and parties receive the examiner's written report, be deemed excludable delay under the Speedy Trial Act pursuant to 18 U.S.C. §§ 3161(h)(1)(A) and (h)(1)(F), and that the period beginning the day after the conclusion of the competency hearing and ending with the Court's ruling on defendant's

mental competency or with the lapse of 30 days, whichever occurs first, be deemed excludable delay pursuant to 18 U.S.C. § 3161(h)(1)(H).
